

Minutes of the Fourth Client Meeting

Team 8

Friday 31st March 2017

1. Time and Place

The fourth client meeting for the MCI project was held in Ingkarni Wardli 4.48 at 1.30pm on Friday.

2. Meeting Discussion

- Christoph has checked the running interface.
- The code of extract URL need to be improved, since it classifies the same websites as one link.
- Writing some fake README files to test code will save more time, such as one file only has links and no pictures, one file has links in same website and one file only has pictures.
- Progress bar is a good way to show the process when analysing README files.
- We can Heroku and Azure to share code to Christoph.

3. Other issues

Things to do:

- Improve the analysis speed.
- Finish the first milestone.
- Try to work out how to add progress bar.

4. Adjournment

- The meeting was adjourned at 2:00pm.
- The next meeting will be held in Ingkarni Wardli 4.48 at 2:00pm on Thursday 6th April 2017.
